

The Veterinary Diagnostic Center will begin moving from its old building to the new building on Monday, July 31, 2017. The move will be conducted in two phases over a period of two weeks in order to allow the validation of equipment and individual laboratory tests. The first phase will begin July 31, 2017; whereas, the second phase will be initiated August 7, 2017. The move will be concluded August 11, 2017. During the move the VDC will attempt to function and report results as normal except **no PCR testing will be conducted on August 3, 2017**. Slight delays in reporting results may be experienced due to unforeseen problems associated with the move.

Beginning July 31, 2017, samples including necropsies will be delivered to the receiving area of the new VDC which is located on the north side of the building. The old VDC will no longer accept samples or necropsies and will be permanently closed for operation. See map below.

The US Postal, USP, and FedEx mailing address **will change**. The new address is as follows:

Veterinary Diagnostic Center
4040 East Campus Loop North
University of Nebraska-Lincoln
Lincoln, Nebraska 68583-0907

The US Postal Mail Box address will remain the same. It is as follows:

Veterinary Diagnostic Center
P.O. Box 82646
University of Nebraska-Lincoln
Lincoln, Nebraska 68501-2646

The VDC telephone and FAX numbers will remain the same.

Telephone: 402-472-1434
FAX: 402-472-3094

The faculty and staff of the Veterinary Diagnostic Center looks forward to serving you in the future. If you have any questions regarding the laboratory and its services, please contact us.
