

New Address for Nebraska Veterinary Diagnostic Center

The Nebraska Veterinary Diagnostic Center (NVDC) has moved to its new building on the University of Nebraska–Lincoln East Campus. *Please note that the old VDC building is permanently closed for diagnostic services; no samples or necropsies will be accepted there.*

Samples, including necropsies, need to be delivered to the receiving area of the new building. The receiving area is located on the north side of the building, as shown on the map below.
